BRH Ready for the Challenge

AUGUST 2019

At BRH this month the team have enthusiastically taken on two endurance-testing, physical challenges, running, walking and climbing in the name of very worthy causes.

Bright and early on Monday 5th August, our team took on the daunting challenge of climbing the 1040 stairs at One One One Eagle Street for the River to Rooftop 2019 fundraiser.

This year's event raised over \$120,000 for the Women's Legal Services, to assist in their work providing free legal and welfare help to women and their children at risk from domestic violence, in Queensland.

And not long after their legs had the chance to recover, six of our team also participated in the annual Bridge to Brisbane fun run. Running and walking the 10km course from Spring Hill to Southbank with 25,000 other participants, over the weekend.

The event's grand total of more than \$820,000 was raised by 3000 entrants and will go towards the many nominated charities for 2019.

Our River to Rooftop Team: Stuart, Michelle, Peter, Andrew and Courtney
